

Fairfax

The City of Fairfax, in partnership with United Community Action, applied and was approved for a Small Cities Development Program grant. More than \$618,700 has been earmarked for the Fairfax community. These funds will be distributed between owner occupied housing, and commercial/rental properties.

The process for the distribution of these funds begins on October 20, 2016. Participants of the survey process in the 2016 target area will gather at the Community Center in Fairfax to begin applying. The commercial property owner’s meeting will begin at 5:30 p.m. The residential property owner’s meeting will begin after the commercial meeting is complete, at approximately 6:30 p.m. A mailed notice was sent to those who completed the survey and are in the target area.

Homeowners who are income qualified according to the chart below, can be added to the waiting list if funds become available. Individuals who did not complete the survey or are outside the target area, are welcome to attend this meeting for more information.

Applications will NOT be available before this meeting. If you are unable to attend the meeting, please call Marcia Seibert-Volz 507-426-7255 to make alternate arrangements for application pick up, after October 20th.

2016 Income Limits	1 person	2	3	4	5	6	7	8
	35,750	40,850	45,950	51,050	55,150	59,250	63,350	67,400
